- b) Wildcard teams with PSL points, in order of the current team's overall league standings
- c) Wildcard teams without PSL points, in order by random draw

9.2 The Convoy order for all subsequent One Day Races and Tour Event stages will be based on: a) the Individual general classification for starting riders

9.3 Regulation 7.1 shall not apply to the first event of the PSL each year if the first event is a road race. In this instance at the first race of the year the convoy order shall be determined by the drawing of lots by all teams present at the Team Managers meeting.

9.4 Vehicles may not be higher than 1.70 m

10. UNDER 19 RIDERS

10.1 Two (2) additional U19 junior riders are eligible to take part in each PSL event as additional rider to the six (6) registered per team per event at an additional cost of \$260 per rider per event.

10.2 All junior U19 riders registered as part of a PSL team must race in every race that juniors are permitted to ride. If a team has more than one U19 rider registered in the team, they must start all those riders in any event applicable to juniors, unless in the case that both the rider and the team provide a written request to PSL that an agreement to miss a race has been decided between both parties. In the case both rider and team wish to end their registration for any reason, they can do so if a letter from both parties is provided to PSL, the team may replace that rider with another rider as long as that rider hasn't been part of an existing fully registered team for that season.

E.g: Team X has 7 elite, and 2 juniors registered for the season. That team must then start both those juniors at every event where juniors are allowed unless a letter is provided by both the junior and team stating that they cannot race for any reason.

10.3 Eligibility of Junior 19 riders in any stage of a tour or one day race, will depend on the event distances as per the UCI Road Regulations 2.3.002 & 2.6.008;
