WELCOME TO SEASON 2 OF PSL

The ProVelo Super League (PSL) was created for Australian road cycling.

The launch season of the PSL successfully solidified its positioning as the “Road to the World Tour” with more than a dozen PSL riders successfully securing WorldTour Team connected opportunities including the entire podium of the SBS Women’s League and the SumUp Men’s league Champion and runner up.

With 321 athletes participating in the inaugural season from 14 Nations, the league is quickly establishing its status as a path to the best teams in Europe and following on from Season 1, competing riders can be sure the ‘world is watching’ to identify the next crop of cycling talent to progress to the World Tour.

With solid foundations, the league must “step it up” to grow our audiences and fan base. Together we must continue to act as one, proactively and positively promote road cycling and individually support each other to grow. It is imperative that we adopt a league first mentality, support our broadcast partners, sponsors and grow our fan base.

We’re looking forward to our teams and athletes putting on a great sport entertainment product and we wish everyone a successful 2026 season.

Yours in cycling.

Gerry, Matt and Aaron.
